Patches to be provided by customer **TOTAL** _____

Instructions For Ordering Varsity Letter Jacket

The following is a quick reference guide to ordering your varsity letter jacket. The above order form is provided by Dagan Sales & Marketing, the company that makes the jackets. If you have any questions concerning this process, please contact Stacey Meyers, ASB Account Clerk in the ASB office at 259-7575 ext. 137

JACKET STYLE

Either men's or women's styles can be ordered. If you are ordering a women's style with the zippered hood but want the leather sleeves from the men's jacket, that is possible but you will be charged for the men's jacket. Be sure to indicate this on the order form. If ordering the leather sleeves, for either the men's or to add to the women's jacket you will need to indicate which color sleeve you want by circling either "white" or "black" sleeves.

EMBROIDERY

This is pretty self explanatory as far as the name you might want on the right chest or back of the jacket. Please remember to print this information and indicate the color of embroidery that you want. When putting a name on the back, you will need to decide which style of lettering that you want and circle your choice and add the proper amount.

You can also pick a custom logo for the back of the jacket if you like. Samples of the logos are available in the ASB office. The price will depend on which one you choose.

PATCHES

Your varsity letter and your graduation year numbers will be sewn on for free by Dagan Sales but you will need to purchase these from the ABS office. The varsity letter is sewn on the left front chest of the jacket and the graduation year numbers are sewn on the left sleeve.

Any additional patches that you want sewn on such as CIF, League, etc can be done so for a charge of \$6.00 each. These patches are to be provided by you. It is helpful to draw a diagram on the reverse side of your order form, of the front or back of the jacket to indicate the positioning of the additional patches.

League patches are given out by your coach and CIF patches are available to purchase at the meet so be sure to stop by the vendor while you are at the CIF meet.

PRICING & ORDERING

The pricing on the order form is subject to change by Dagan Sale & Marketing. The turn around time once the jacket is ordered is usually 8 weeks.
