

BEXLEY MARLIN SWIM TEAM

• The Marlins Coaching staff would like to congratulate all the swimmers on the great job they did this summer. All your hard work and effort paid off in your third Tri-County League Championship in a row. **WAY TO GO MARLINS!**

• The Marlin Team was 113 strong this summer; call your friends, grab your neighbors, forward the emails and website address as we are hoping to increase our team size for the Summer of 2009!

• Special thanks to all the parent volunteers who worked tirelessly all summer and to the Bexley Marlin Parent Board members who continue to work to improve the program throughout the winter.

• Swim Team website is up! Check for Jeffrey Mansion sign-up dates, days and times, suit and apparel information, updates on meet and practice schedules, coaching staff and stroke clinic registration.

"Being new to The Marlins Swim Team we were thrilled to see such a display of camaraderie and sportsmanship. Our kids thrived as members under the care and instruction of great coaches and fellow team members. We encourage everyone to join swim team - there is nothing like it when you see the older kids cheering on the younger ones! This encouragement made our kids feel proud and want to do the best that they can!"

- Jenny Madison

"Coach K. and the entire Marlins Coaching Staff created a team atmosphere that was both caring and competitive. Our daughters received quality individual instruction, and they felt like important members of the Bexley Marlins Swim Team." - Jen and Jon Bunker
